

THE RETURN OF THE KING

The Lord of the Rings Tradeable Miniatures Game expands its pool in November with the much-anticipated release of *The Return of the King* boosters. This set boasts the same quality and excitement of previous ones, and includes some often requested figures!

While the *Path of the Dead* release added the restless dead to Good's cause, Now there is a counter: Evil gets more vile with the inclusion of Corsairs, with a Corsair Captain hero to lead them. Other Evil heroes include a Haradrim Leader and Mordor Orc Captain as well as Gorbag, Shagrat and the hideous dreaded Gothmog! Speaking of dread, we've also get new Ringwraith and Witch-king sculpts.

If that isn't enough to bolster evil – Mordor Orcs, UrukHai, Haradrim Riders, Wargs and Corsairs round out the minions.

The forces of Good are represented by Heroes such as Aragorn, Theoden, Gandalf the White, and a version of Sam that reflects his prowess while rescuing Frodo in Mordor! Gondorians, Rohirrim, and Knights of Minas Tirith support them.

One of the most requested figures is here as well. Twice. Both Gollum and Smeagol get a figure! This is possibly the single most-requested piece, so never let it be said that Sabertooth Games doesn't listen to its fans!

The sculpts are the same high quality and detail you have come to expect, with some innovative ideas. Eowyn and Merry share a base, and dynamic poses abound. Whether hero or minion, footsoldier or cavalry, there is sure to be a pose that will become your favorite.

The release date for *The Return of the King* set is early November, and this will complete the trilogy. Combined with the Base Set, *The Fellowship of the Ring*, *The Two Towers*, and the premium line figures, the combinations are endless, allowing you to field the Good or Evil force of your dreams!
